Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection of the Tirangha but also an embodiment to nation-building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian national flag, we celebrate Azadi ka Amrit Mahotsav with our loving kids on the ground with the different states tradition and Indian Map.
